**Amended and Restated Operation & Maintenance Expense
Master Assessment Methodology Report for
Copperstone Community Development District
Fiscal Year 2018-2019**

1.0 Overview

The Copperstone Community Development District (“Copperstone” or “District”) was created on November 13, 2006. The District encompasses approximately 261 acres in Manatee County. The District completed its capital improvement plan (“CIP”) for the 622 residential units. The area is improved at this time. The Copperstone Community Development District Report by District Engineer, dated March 20, 2007 (the “Engineer’s Report”) provides a description of the area and a detailed CIP.

The District currently funds Operation and Maintenance (“O&M”) of its existing capital improvements. These O&M expenses are funded via the collection of an annual non-ad valorem special assessment. As the District’s O&M responsibilities vary over time, the District’s O&M expenses will vary to meet the District’s needs.

This Amended and Restated Operation and Maintenance Expense Master Assessment Methodology Report (“O&M Master Report”) provides a methodology to allocate the annual O&M expenses among the 622 residential units in Copperstone that receive a special benefit from the CIP installed in Copperstone.

The methodology described here allocates the District’s annual O&M expenses to properties based upon the benefits each receives from the infrastructure program. In this case the properties receiving benefit are the 622 residential units within the District. This report is designed to conform to the requirements of Chapters 190 and 170, F.S. with respect to special assessments and is consistent with our understanding of the case law on this subject.

1.1 Background and Land Use Plan for Copperstone

The Board of Supervisors (“Board”) of the District previously approved Resolution 2017-05 on June 15, 2017 which includes the Copperstone Community Development District Adopted Budget for Fiscal Year 2017-2018 (“2017-2018 Adopted Budget”). The 2017-2018 Adopted Budget established an O&M methodology the District followed to allocate the O&M expenses among the benefiting properties planned for the District. Table 1 summarizes the existing O&M assessment allocation.

Table 1. Existing O&M Assessments (1)

Product	EAU	Total EAUs	% of EAUs	Units	Product Type Total Budget (2)	Per Unit Assessment (2)
Townhome 20'	0.36	42.91	7.51%	118	\$29,694	\$252
Single Family 55'	1.00	368.00	64.38%	368	\$254,665	\$692
Single Family 65'	1.18	160.73	28.12%	136	\$111,227	\$818
		=====	=====	=====	=====	
Total		571.64	100.00%	622	\$395,586	

(1) Allocation of total O&M budget (i.e. assessment) based on equivalent assessment units. Individual principal and assessments calculated on a per unit basis

(2) Includes principal, interest, and collection costs

1.2 Purpose

The lands within the District have undergone substantial development since 2007. All 622 residential lots have been platted and/or developed as residential units within the District to date. This O&M Master Report is intended to replace the current O&M assessment methodology associated with the 2017-2018 Adopted Budget.

This O&M Master Report contains the recommended O&M assessment methodology ("O&M Methodology") to be used for allocating the District's Fiscal Year 2018-2019 O&M assessments and, also, for the allocation of O&M assessments in future years. Table 2 summarizes the 2017-2018 Adopted Budget.

Table 2. Copperstone Fiscal Year 2017-2018 O&M Budget

Fiscal Year 2017-2018 Budget	\$
Administrative	
Legislative	\$ 12,000
Financial & Administrative	\$ 70,245
Legal Counsel	\$ 10,000
Electric Utility Services	\$ 16,500
Stormwater Control	\$ 72,800

Road & Street Facilities	\$ 2,500
Contingency	\$ 2,431
Capital Reserves Contingency	\$ 40,468
TOTAL	\$ 367,895

Source: Copperstone CDD Adopted Budget for Fiscal Year 2017/2018

1.3 Requirements of a Valid Assessment Methodology

Valid special assessments under Florida law require two things. First, the properties assessed must receive a special benefit from the improvements paid for via the assessments that is equal to or exceeds the burden of the debt placed upon them. Second, the assessments must be fairly and reasonably allocated to the properties being assessed.

If these two characteristics of valid special assessments are adhered to, Florida law provides wide latitude to legislative bodies, such as the District's Board of Supervisors in approving special assessments. Indeed, Florida courts have found that mathematical perfection is probably impossible, but if reasonable people disagree the assessment will be upheld. Only if the Board was to act in an arbitrary, capricious or grossly unfair fashion would its assessment methods be overturned.

2.0 Assessment Methodology

2.1 Overview

The assessment methodology is a process by which the District will allocate the costs associated with its O&M activities to properties in the District benefiting from the improvements. The allocation is based upon the benefits that each property receives.

2.2 Allocation to Benefiting Properties – The Master Report Methodology

The discussion offered herein illustrates the process by which this report will allocate O&M assessments levied to pay annual expenses incurred to support the O&M activities associated with the CIP. As noted above, as long as two basic principles are adhered to, Florida law allows the Board of the District great latitude in determining the appropriate methodology to allocate the costs of the O&M activities to benefiting properties within the District. The two principals are: (1) the properties being assessed must receive a special benefit from the O&M activities and (2) the assessments allocated to each property must be fairly and reasonably apportioned among the benefiting properties. In allocating special assessment costs to benefiting property Florida governments have used a variety of methods including, but not limited to, front footage, area, trip rates, equivalent residential units, dwelling units, acreage, and value.

As shown in Table 3, Copperstone includes 622 residential units. The 622 units will be allocated the O&M assessments.

Table 3. Copperstone Unit Count

<u>Unit Type</u>	<u>Units</u>
Townhome 20'	118
Single Family 55'	368
Single Family 65'	136
Total	622

With respect to O&M activities, it is reasonable that each unit receives an equal benefit from the community-wide O&M activities. As a result, the annual O&M budget is allocated on an ERU basis. Table 4 summarizes the allocation of the 2018-2019 Adopted Budget.

Table 4. Initial Allocation of Adopted O&M Budget

Land Use	Units	Total Allocation (%)	O&M Assmt. per Category
Single Family	504	81%	\$298,101
Townhomes	118	19%	\$69,794
	=====	=====	=====
TOTAL	622	100%	\$367,895

2.3 Allocation of Annual O&M Budget

As shown in Table 2, the 2017-2018 Adopted Budget totals \$367,895. The costs associated with the O&M activities will be allocated using the methodology outlined in Table 4. This section of the methodology focuses on the allocation of costs within the District.

Table 5 summarizes the allocation of assessments on an ERU basis. The estimated gross annual assessment per unit amount is based on the 2017-2018 Adopted Budget and proposed 2018-2019 Budget, and it includes a 7% gross up to defray administrative costs for collection by Manatee County and an allowance for early payment of assessments.

Table 5. O&M Cost Allocation to Benefitting Properties Within Copperstone

Land Use	Units	Total Allocation (%)	Assmt. per Category	Est. Net Annual Assmt./Unit	Est. Gross Annual Assmt./Unit (1)
Single Family	504	81%	\$298,101	\$591.47	\$635.99
Townhomes	118	19%	\$69,794	\$591.47	\$635.99
	=====	=====	=====		
TOTAL	622	100%	\$367,895		

(1) Gross annual assessment includes 7% gross up to account for Property Appraiser fee, Tax Collector fee and the statutory early payment discount (Property Appraiser and Tax Collector – each are entitled to charge 2%, respectively)

3.0 Tax Roll

The benefitted parcels are identified by parcel identification number maintained by the Manatee County Property Tax Assessor. The annual O&M assessment for each parcel is provided in Appendix 1.
